Perfluorocarbon emulsion for severe DCS

Direct effect of CO₂ on apnea-induced haemoglobin increase
How consistent are doctors in assessing ‘fitness to dive’?
The health of recreational dive masters and instructors
Risk factors for rapid ascent and buoyancy problems
Scuba diver’s pulmonary oedema can be fatal
Ultrasound under pressure
PURPOSES OF THE SOCIETIES
To promote and facilitate the study of all aspects of underwater and hyperbaric medicine
To provide information on underwater and hyperbaric medicine
To publish a journal and to convene members of each Society annually at a scientific conference

SOUTH PACIFIC UNDERWATER MEDICINE SOCIETY

OFFICE HOLDERS

President
Mike Bennett <president@spums.org.au>
Past-President
Chris Acott <cacott@optusnet.com.au>
Secretary
Karen Richardson <secretary@spums.org.au>
Treasurer
Jan Lehm <treasurer@spums.org.au>
Education Officer
David Smart <education@spums.org.au>
Public Officer
Andrew Fock <a.fock@alfred.org.au>
Chairman ANZHMG

Christchurch, New Zealand
Phone: +64-(-0)3-364-0045 or (0)3-329-6857
Fax: +64-(-0)3-364-0817 or (0)3-329-6810

European Editor:
Peter Müller <peter.mueller@eubs.org>

Submissions to the Journal should be sent to: <submissions@dhmjournal.com>

Diving and Hyperbaric Medicine is published jointly by the South Pacific Underwater Medicine Society and the European Underwater and Baromedical Society
Instructions to authors
(Short version, updated December 2011)

_Diving and Hyperbaric Medicine_ welcomes contributions (including letters to the Editor) on all aspects of diving and hyperbaric medicine. Manuscripts must be offered exclusively to _Diving and Hyperbaric Medicine_, unless clearly authenticated copyright exemption accompanies the manuscript. All manuscripts will be subject to peer review. Accepted contributions will also be subject to editing. An accompanying letter signed by all authors should be sent. Contributions should be sent to:
The Editor, Diving and Hyperbaric Medicine,
C/o Hyperbaric Medicine Unit, Christchurch Hospital,
Private Bag 4710, Christchurch, New Zealand.
E-mail: <editor@dhmjournal.com>

Requirements for manuscripts

Documents should be submitted electronically. The preferred format is Microsoft® Office Word or rich text format (RTF). Paper submissions will not be accepted. All articles should include a title page, giving the title of the paper and the full names and qualifications of the authors, and the positions they held when doing the work being reported. Identify one author as correspondent, with their full postal address, telephone and fax numbers, and e-mail address supplied. The text should generally be subdivided into the following sections: a structured Abstract of no more than 250 words, Introduction, Methods, Results, Discussion, Conclusion(s), Acknowledgements and References. Acknowledgements should be brief. Legends for tables and figures should appear at the end of the text file after the references. Conflicts of interest and funding sources should be identified.

The text should be 1.5 lines spaced, using both upper and lower case. Headings should conform to the current format in _Diving and Hyperbaric Medicine_. All pages should be numbered. Underlining should not be used. SI units are to be used (mmHg is acceptable for blood pressure measurements; bar for cylinder pressures); normal ranges should be shown. Abbreviations may be used after being shown in brackets (DCI) can thereafter be referred to as DCI.

Preferred length for _Original Articles_ is up to 3,000 words. Inclusion of more than five authors requires justification, as does that of more than 30 references. _Case Reports_ should not exceed 1,500 words, and a maximum of 15 references. Abstracts are required for all articles. _Letters to the Editor_ should not exceed 500 words and a maximum of five references. Legends for figures and tables should generally be shorter than 40 words in length.

_Illustrations, figures and tables_ must NOT be embedded in the wordprocessor document, only their position indicated, and each should be submitted as a separate file. _Tables_ should be presented either with tab-separated columns (preferred) or in table format. No gridlines, borders or shading are to be used.

(_Illustrations and figures_ should be submitted in TIFF, high resolution JPG or BMP format. If figures are created in Excel, submit the complete Excel file. Large files (> 10 Mb) should be submitted on disk. _Photographs_ should be glossy, black-and-white or colour. Colour printing is available only when it is essential and will be at the authors’ expense. Indicate magnification for photomicrographs.

References

Examples of the exact format for a standard paper and a book are given below:

Accuracy of references is the responsibility of the authors.

Manuscripts not complying with the above requirements will be returned to the author(s) before being considered for publication.

Consent

Studies on human subjects must comply with the Helsinki Declaration of 1975 (revised 2000) and those using animals must comply with health and medical research council guidelines or their national equivalent. A statement affirming ethics committee (institutional review board) approval should be included in the text. A copy of that approval (and consent forms) should be available if requested.

Copyright

Authors must agree to accept the standard conditions of publication. These grant _Diving and Hyperbaric Medicine_ a non-exclusive licence to publish the article in printed form in _Diving and Hyperbaric Medicine_ and in other media, including electronic form. Also granting the right to sub-licence third parties to exercise all or any of these rights. _Diving and Hyperbaric Medicine_ agrees that in publishing the article(s) and exercising this non-exclusive publishing sub-licence, the author(s) will always be acknowledged as the copyright owner(s) of the article.

Full instructions to authors (revised July 2011) may be found on the DHM Journal, EUBS and SPUMS websites and should be consulted before submission.
DIVING INCIDENT MONITORING STUDY (DIMS)

DIMS is an ongoing study of diving incidents. An incident is any error or occurrence which could, or did, reduce the safety margin for a diver on a particular dive. Please report anonymously any incident occurring in your dive party. Most incidents cause no harm but reporting them will give valuable information about which incidents are common and which tend to lead to diver injury. Using this information to alter diver behaviour will make diving safer.

The Diving Incident Report Form can be downloaded from, or an on-line form accessed at the DAN AP website: <www.danasiapacific.org>
## CONTENTS

Diving and Hyperbaric Medicine Volume 42 No. 1 March 2012

### Editorials

1. The Editor’s offering
2. The President’s pages

### Original articles

4. Effect of hypercapnia on spleen-related haemoglobin increase during apnea  
   Matt X Richardson, Harald K Engan, Angelica Lodin-Sundström and Erika Schagatay
10. The effect of intravenous perfluorocarbon emulsions on whole-body oxygenation after severe decompression sickness  
    Cameron R Smith, J Travis Parsons, Jiepei Zhu and Bruce D Spiess
18. Diver Health Survey score and probability of decompression sickness among occupational dive guides and instructors  
    Greg A van der Hulst and Peter Lee Buzzacott
24. Postal survey of fitness-to-dive opinions of diving doctors and general practitioners  
    Chris Sames, Des Gorman and Simon Mitchell
30. Rapid ascent and buoyancy problems among Western Australian certified recreational divers  
    Peter Buzzacott, Terri Pikora, Michael Rosenberg and Jane Heyworth

### Review article

36. Ultrasound in diving and hyperbaric medicine  
   Ian C Gawthrope

### Case report

40. Scuba diver’s pulmonary oedema: recurrences and fatalities  
   Carl Edmonds, John Lippmann, Sarah Lockley and Darren Wolfers

### Critical appraisal

45. Hyperbaric oxygen therapy did not improve arm volume or functional scores in post-radiation lymphoedema  
   Michael Bennett

### Continuing professional development

46. Hyperbaric oxygen therapy for delayed post-radiation injury  
   Erik Jansen

### Book review

48. Mastering rebreathers, 2nd edition  
   Simon Mitchell

### Obituaries

50. Eric P Kindwall
50. Dan Rainolds

### SPUMS notices & news

51. Diploma of Diving and Hyperbaric Medicine
52. Minutes of the SPUMS Executive Committee Meeting 22 and 25 May 2011 at Hilton Guam Resort and Spa, Tumon Bay, Guam
54. Annual General Meeting of the Australian and New Zealand Hyperbaric Medicine Group, 15 September 2011, Crowne Plaza Hotel, Coogee Beach, Sydney
57. SPUMS 41st Annual Scientific Meeting 2012
58. SPUMS Annual General Meeting 2012
59. ANZCA Certificate in Diving and Hyperbaric Medicine

### EUBS notices & news

61. 38th EUBS Annual Scientific Meeting 2012  
   Second Announcement and Call for Abstracts

### Clinical indicators in hyperbaric medicine

49. Clinical indicators in hyperbaric medicine  
   Joanne James, Jan Lehm and Michael Bennett

### Courses and meetings

62. Courses and meetings
64. Instructions to authors  
   (short version)
